

Section 24A (4) Gaming Machine Act Special Club License condition 3 – reference to distribution of funds among community, sporting and recreational groups for the period 2009 - 2010

Introduction

Club One is the holder of Special Club Licence 51500003.

The Licence has the authorization to:

“possess approved gaming machines and to operate them on premises in respect of which someone else holds a gaming machine licence as agent of the holder of the gaming machine licence in accordance with the Gaming Machines Act, 1992 and the conditions of the licence.”

Among the conditions is the following:

“The licence is subject to the following conditions imposed by section 24A(4) of the Gaming Machines Act, 1992:

3. A condition requiring the holder of the licence to provide a report to the Minister, no later than 30 September in each year, on the conduct of its financial affairs during the financial year ending on the previous 30 June, including reference to distribution of funds among community, sporting and recreational groups”

The distribution of funds among community, sporting and recreational groups.

a. Direct:

Club One distributes funds directly by way of two sponsorship programs.

1. The small sponsorships grants – managed by the Board through the Executive Officer, determined monthly, up to \$500 per application, \$2,000 per month and an annual budget 2009 -2010 was \$24,000 plus GST.
2. The large project sponsorships – determined twice yearly, managed under contract by Sport SA and Clubs SA, initial annual budget 2009 -2010 was \$120,000 plus GST. Additionally the two peak bodies are paid collectively \$16,000 plus GST to administer the grants.

Section 24A (4) Gaming Machine Act Special Club License condition 3 – reference to distribution of funds among community, sporting and recreational groups for the period 2009 - 2010

b. Indirect – return from vesting

Club One enters into an arrangement with some Clubs when it purchases Gaming Machine Entitlements (GME) termed vesting.

Vesting is a permanent arrangement whereby Club One pays an annual fee to the Club in return for the GME.

The intent of vesting is to provide permanent and better return to a Club than the return they could get from investing the proceeds of the sale of a GME.

Presently Club One has 97 GMEs subject to such arrangements. During 2009 - 2010 financial year Club One made vesting payments of \$510,211.87

As Club One raises this money annually to meet this cost, Club One is contributing all the payment to the industry.

Total Direct and Indirect distribution \$670,211.87
