b. Indirect – return from vesting

Club One enters into an arrangement with some Clubs when it purchases Gaming Machine Entitlements (GME) termed vesting.

Vesting is a permanent arrangement whereby Club One pays an annual fee to the Club in return for the GME.

Presently Club One has 118 GMEs subject to such arrangements. During 2012 - 2013 financial year Club One made vesting payments of **\$770,596.33**

As Club One raises this money annually to meet this cost, Club One is contributing all the payment to the industry.
